

Life is but a stopping place,  
 A pause in what's to be,  
 A resting place along the road,  
 to sweet eternity.  
 We all have different journeys,  
 Different paths along the way,  
 We all were meant to learn some things,  
 but never meant to stay...  
 Our destination is a place,  
 Far greater than we know.  
 For some the journey's quicker,  
 For some the journey's slow.  
 And when the journey finally ends,  
 We'll claim a great reward,  
 And find an everlasting peace,  
 Together with the lord

*High Flight*

Oh! I have slipped the surly bonds of earth  
 And danced the skies on laughter-silvered wings;  
 Sunward I've climbed, and joined the tumbling mirth  
 Of sun-split clouds - and done a hundred things  
 You have not dreamed of - wheeled and soared and  
 swung

High in the sunlit silence. Hov'ring there  
 I've chased the shouting wind along, and flung  
 My eager craft through footless halls of air.  
 Up, up the long delirious, burning blue,  
 I've topped the windswept heights with easy grace  
 Where never lark, or even eagle flew -  
 And, while with silent lifting mind I've trod  
 The high untresspassed sanctity of space,  
 Put out my hand and touched the face of God.
