1. RCAF Association Mission Statement:

The Association is a national not-for-profit aerospace and community- service organization composed of aviation-minded citizens established to remind Canadians of their country's rich aeronautical tradition and history, to support Canada's Air Force, and to support and encourage the civil aviation component within the country.

2. Chairman's Message:

Happy 100<sup>th</sup> Birthday to the RCAF. There are many events scheduled during the coming weeks and months that provide us with an opportunity to celebrate this milestone and demonstrate our respect for those who have served or are serving in Canada's Air Forces. This newsletter has an update about those events, and write-ups about the events that have already happened, along with the traditional articles. Per Ardua Ad Astra.

### 3. RCAF Centennial Flag Raising and Tribute Banner Ceremony:

The Wing commenced celebrating the RCAF Centennial at the flag raising ceremony at city hall on 28 March. This was followed by the dedication of the 15 tribute banners in honour of the members of our Wing, past and present, who contributed their time and energy to the advancement of aviation in Canada. Thank you to Jean Maurice Pigeon, Randy Rice, and David Farnsworth for making this project a success. As well, thank you to our Colour Guard – Murray Connolly, Wally Capstick, Andrea Sloan, Les Ball and Randy Rice, as well as HCol Rory Mackinnon for leading the ceremony for the flag raising. You all brought great credit to the RCAF Association.

### 4. Blue Light Illuminations:

In celebration of the RCAF Centennial and commemoration of the men and women who have, and continue to, serve Canada at home and abroad, famous landmarks, city halls, businesses, and residences across the world will be illuminating in blue

on April 1, 2024. About 400 landmarks in 20 countries are confirmed to be participating. In Barrie, this includes Barrie City Hall, the 'Barrie' waterfront sign, Royal Canadian Legion Branch #147 (done by 441 Wing), Five Points, and Meridian Place. Canadians across the country to join in this campaign, and light up their businesses and homes in blue, and to share photos on social media using the hashtags **#RCAF100** and **#100YearsOfFlyingBlue**, in support of the RCAF and its personnel. We are collaborating with Guinness World Records, as the RCAF will attempt to break the World Record for most landmarks illuminated in 24 hours.

#### 6. 100 Years and RCAF Fashion:

For over 10 decades, fashion has been a part of designing RCAF uniforms as seen in the historic 23 photographs presented by LCol (ret'd) Ferguson Mobbs. The historic photos of period uniforms is the final presentation to celebrate the 100 Anniversary of the RCAF that started with the concept, obtaining the uniforms to be followed by securing volunteer models that fit the uniforms. A shooting schedule

was crafted ending with a photo shoot completed with military precision in one day. As you view the 23 uniforms and flight suits you can see the progression from more style than practical use to practical use than style. At the same time each style era reflects styles and practical design of that time reflecting on the dignity of the RCAF.

This is the first and only collection of photographs crafted at one time in the history of the RCAF with a blend of uniforms from the "Women's Division", rounding out a representation of uniforms that is inclusive of all the uniforms presented.

LCol (ret'd) Mobbs worked closely with LCol Lyle Holbrook and the Toronto Garrison Officers Ball to have several of the uniform's photographs to be on full sized vertical banners to celebrate the 100th Anniversary of the RCAF. He is presently in discussions with Ottawa as to the placement of his photos across Canada. LCol (ret'd) Mobbs states this Historic collection of photos could not have been crafted if it was not for all the people who assisted in the collection of uniforms and the models who volunteered their time. Each person understood this is a very special historic project to celebrate the 100th Anniversary of the RCAF

10. TIME CAPSULE: “A most Extraordinary Airman – Joseph Auguste Omer Levesque”: By Randolph Rice

During the last POW reunion at Ottawa in 1999, I had the privilege of being the official photographer for the three-day event. Part of the itinerary was a tour of the National Aviation Museum in Rockcliffe for over 200 participants. As I was following this group of unique RCAF Veterans around, I noticed a fellow off by himself inspecting a Sabre aircraft, who I thought was a Second World War veteran looking at a jet aircraft – interesting. Out of curiosity I walked over and immediately he engaged me in conversation. Low and behold I was conversing with a veteran of two wars. His RCAF blazer was adorned with many decorations, and he explained to me he had flown Spitfires during the Second World War and Sabres in Korea.

Joseph Auguste Omer Levesque was born on May 23, 1920, in Mont-Joli, Quebec. In 1940, he enlisted in the RCAF and after initial training he was sent overseas in 1941 where he joined No. 401 Squadron RCAF out of Biggin Hill. His squadron

was tasked with intercepting German bombers and their fighter escorts in addition to making sweeps over France. On November 21, 1941, during a sweep his flight encountered German fighters and Omer accounted for a Fw-190, the first RCAF pilot to down a Focke-Wulf. In fact, Omer sketched a drawing which was circulated throughout fighter command. On February 12, 1942, during the channel dash of the three German battle ships, including the Bismarck, his luck ran out while on a sweep and he was shot down. He bailed out into the channel where he was rescued by a German E-Boat, at which point he became a POW. The Captain of the E-boat was so impressed that he readily engaged Omer in spirited conversation and treated him to a fine meal. Thus ended his flying for 3 ½ years and leaving him short by one of becoming an ace and making him one of the longest serving RCAF POWs of the war.

Omer stayed in the post RCAF and on May 9, 1949, during a test to see how fast and far the Vampire jet could fly, he made the fastest trip between Montreal and Ottawa flying out of St. Hubert in 8.5 minutes.

He also served with No. 410 Cougar Squadron and also became a member of the aerobatic "Blue Devils" performing throughout North America while flying de Havilland Vampire aircraft, which were from RCAF Station St. Hubert.

In December 1950, as an exchange officer, he was posted to the USAF 334 First Interceptor Squadron at Kimpo in Korea. On March 31, while escorting B-29 bombers at 40,000 feet to attack one of the Yalu bridges, his wing was bounced by North Korean MiG fighters. Turning into the attack Levesque got into a corkscrewing dogfight down to 17,000 feet. On the MiG 's tail, he let off a burst at 500 yards and sent the jet spiraling to the ground. With this kill, nine years after his previous four, Omer officially became an ace making him a member of those gallant few. By the end of his tour, he had completed seventy-one missions and was awarded the American DFC and Air Medal.

Omer went on to serve his country as part of the International Control Mission in Vietnam as well as a stint with NORAD. He retired from the RCAF in 1965 and passed away in 2008 as one of the most decorated RCAF veterans.

#### 11. A Truly Canadian Astronaut Patch

Canadian astronaut Jeremy Hansen, from Saskatoon, will wear this patch as he joins the Artemis II Mission to the Moon, scheduled for September 2025. It is encouraging to see the patch includes the Canadian Crown as well as Indigenous symbols reflecting seven sacred laws, including a buffalo for respect, an eagle for love, a bear for courage, a bigfoot for honesty, a beaver for wisdom, a wolf for humility and a turtle to represent truth, as designed by Anishinaabe artist Henri Guimon, "You see the seven sacred laws, which are really instructions and reminders

for us to aspire as humans," Hansen told the CBC. "As I represent Canadians going on this mission, this is an important reminder for me of how I would like to walk and the example I would like to strive to represent."

12. 441 Wing Member Appointed as the Honourary-Colonel of the RCAF:

HCol Renee Van Kessel has been appointed to become the next Honourary-Colonel of the RCAF. Her change of appointment will occur on the afternoon of June 12th, in Ottawa at NDHQ (Carling Campus). Called to the Bar in 1995, Honourary Colonel van Kessel is a member of the Law Society of Ontario. She received her Bachelor of Laws from Osgoode Hall Law School, and her Bachelor of Arts Honours in Political Studies at Queen's University in Kingston. HCol van Kessel was honoured to be one of only two private sector citizens to be asked to attend the National Security Programme at the Canadian Forces College in Toronto, where she studied National Security and Defence Policy on a part-time basis from 2008-2012, while maintaining her law practice

full time. She completed her Masters of Public Administration in June 2015 with her thesis on Water Scarcity and Conflict. She also volunteers, advises, and sits on the boards of various not-for-profit organizations, including the Canadian Forces College Foundation, Canada Company, the Canadian International Council, and the Center for Peace Through Culture.

13. 441 (Huron) Wing – Board of Directors Election:

The 441 Wing elections for the Board of Directors will take place at our May 2024 meeting. They will elect a half slate of the 'Executive' members from those who were elected. They will serve for two years prior to being up for election again. The other half of the slate will be elected in 2023. Nominations for the Directors will be accepted up to and including 30 April 2024 by our Returning Officer, Jane Connolly. She will inform the Wing Chair as to whether their needs to be an election at the May meeting or whether the new half slate will be acclaimed. The new Board will be installed at the June 2024 meeting. Should you wish to nominate someone as a Director (you must get their permission first) or self-nominate, please ensure that the nomination form at the end of this newsletter is filled out, signed and given to Jane by the end of April.

14. Fundraising Donation from the Kiwanis Club to 441 Wing:

Bob Debling coordinated the sales of the Kiwanis Club tickets on behalf of 441 Wing for the "Dinner for Two Anywhere in the World" draw. The Wing members sold over 21 books of tickets, which meant we received 50% of the funds from the tickets sold. On 18 March, Bob was invited by the Kiwanis Club of Barrie and was

presented with a generous cheque for \$1,500.00, which was \$300 more than the Wing earned via the ticket sales. The funds raised from the ticket sales will be used to support 102 (Silver Fox Barrie) RCAC Sqn and 714 (Wasaga Beach) RCAC Sqn.

15. Presentation of Awards to the 1<sup>st</sup> Holly Scout Group:

On 23 February, the 1<sup>st</sup> Holly Scout Group honoured 441 (Huron) Wing by presenting it with a Certificate of Appreciation. Scouter Jamie Mackness presented the certificate to Jane Connolly, who represented 441 Wing at this special awards ceremony. The certificate was given to us for our unwavering support of the Group. Jane, in turn, was asked to present Scouter Joshua Calder and Scouter Alyx Calder with their Medals of Good Service to scouting.

16. Ontario Group AGM:

The Group's AGM will take place during the long weekend from May 17-19, 2024, at 413 (Trenton) Wing/ Ramada Hotel Trento. Our Wing normally sends three (3) delegates to represent it at the AGM. Many hands make light work.
