## **President's Message**

*Len's Rotor Wash.....*

Hello All,;

Well it took it's time getting here but summer seems to have hit with a blast of hot weather. We are going camping this weekend and just found out there is a fire ban at the park we are going to, but with the dry weather we have been having that does not surprise me.

I have been in contact with 429 Squadron about their family day and they are saving 20 seats for us on the family flight. The date for this event is September 9<sup>th</sup>. I will be getting times for the event soon and will update everyone once I have this information. Please drop me a line or an e-mail to let me know if you are planning to attend.

I would like to thank David & Fran McCarthy for hosting our summer BBQ on August 29<sup>th</sup>, at their new home in Lindsay. It should be a lot of fun as usual. Ruth and I look forward to seeing everyone there.

I hope everyone has a great summer and I look forward to seeing you all again soon.

Per Ardua Ad Astra

Len
