She the **Forces** was known as Sweetheart' whose recordings of 'We'll Meet Again' and 'The White Cliffs of Dover' shaped the national mood in wartime Britain. #### 4. Honours and Awards:

The NORAD Trophy

The RCAF Association's esteemed NORAD Trophy was presented to Milan Kroupa at his Edenvale Aerodrome by the Ontario Group President Bob DiMillo on Friday, 26 June, 2020. The NORAD Trophy was inaugurated in 2008 to mark the 50th anniversary of the North American Aerospace Defense Command. It has been selected by the NEC for presentation to individuals or organizations which have made significant contributions to the preservation and perpetuation of Canada's rich aviation history, values and traditions.

The ceremony was organized by Murray Conley and was at 'M' hangar with the mock-up of the Avro Arrow used as an appropriate back drop. Murray was assisted by

many of our Wing members, especially Wally Capsticks who was the MC for the ceremony and Andy and Mary Lou Galton who made the program.

After the Opening Ritual conducted by Chairman Bill Sergeant, Milan Kroupa was inducted into the RCAF Association and 441 Wing by Past President Bob Coxon. Milan was then presented with the prestigious NORAD Trophy by the RCAF Association's Ontario Group President Bob DiMillo along with a keeper plaque and framed certificate.

In response, Milan gave a short speech summarizing his arrival in Canada as a refugee, the success Canada afforded him in his endeavours, his interest in aviation, the opportunity it gave him to give back to this country and his appreciation for the honour being bestowed on him.

Following Milan's speech, Group President Bob DiMillo presented four Ontario Group Awards. Les Ball was presented with the 'Award of Distinction', and an

'Award of Merit', for his many years of work in support of the goals of the association and 441 Wing. Cooky Ellis and Raywinn Raaflaub were each presented with an 'Award of Merit', for their significant contributions to 441 Wing over a number of years. Michael O'Shea was also given the 'Award of Merit', but was unable to attend the ceremony.

Les Ball, as a Past President of Ontario Group, had the honour of presenting Bette Coyle, the Secretary of Ontario Group and its Eastern Region Director, with the Group's 'Member of the Year Award' for her multi-year contributions to 424 (Cornwall) Wing and the RCAF Association.

There were several dignitaries in attendance for the awards ceremony including: MPPs Andrea Khanjin and Jim Wilson, Robert Morales representing MP Terry Dowdall, Clearview Township Mayor Doug Measures, and the RCAF Association's Ontario Group Regional Director for the Central Region, Brenda Lynn Rice Wilson. All congratulated the six award winners: Milan, Les, Bette, Cooky, Ray and Michael.

# 10. <u>Operational pause of CH-148 Cyclone fleet lifted</u> June 16, 2020 – Winnipeg – National Defence / Canadian Armed Forces

The Commander of 1 Canadian Air Division, Lieutenant-General Alain Pelletier, has lifted the operational pause on the CH-148 Cyclone maritime helicopter fleet. The return to flying operations follows a thorough risk assessment that outlined mitigation measures to ensure aircrews understand the conditions that led to the crash and how to avoid or resolve them.

While the Directorate of Flight Safety investigation continues, information that the investigation uncovered to date —primarily from the Cyclone's flight data recorder — allowed the investigative team to replicate the conditions in the CH-148 Cyclone flight simulator and rule out any mechanical failure. This revealed that the aircraft's flight director was set to hold a specific altitude and airspeed. Thus, during the complex manoeuvering turn to align with the ship, the pilot's inputs were significantly different from the autopilot settings and the aircraft did not respond in a way that the crew was expecting. The investigative team has

confirmed that this rare anomaly only occurred under a very specific and narrow set of circumstances. The crew would have had no previous exposure or experience on how to handle this situation.

With these circumstances now clearly understood, the RCAF has completed a detailed risk assessment and is implementing mitigation measures to allow for the safe resumption of flying operations.

#### 11. Everett Horner - Tech Solutions and more:

Everett is back in Barrie from the Univ of Alberta. He is looking to help as many people as he can, so please feel free to contact him or circulate his information/website to anyone you think he might be able to assist. His e-mail is: everetthmail@gmail.com

# 12. RCAF 96<sup>th</sup> Anniversary Pins:

As has been the tradition at 16 Wing and now within 441 Wing, Norm Marion has shepherded the design and approval of this year's commemorative pin to reality. This year, the Boeing CC137 Stratoliner (B707) aircraft was selected. Many members of the Canadian Forces have stories about this work horse that provided air-to-air refueling for our Northern Flank commitments as well as 'Service Air' travel opportunities for CF members, and at

times, their families. Due to pin production interruptions as result of COVID 19, the pins should now arrive around the end of June. Price for the pins should be \$5.00.
