

Please join me in congratulating 441 Wing Member Norm Marion on being awarded the
"Ontario Veterans Award for Community Service Excellence".

The award honours veterans who have made significant and sustained contributions to their communities through exceptional community service after their military career. Each year the Ontario branches of the Royal Canadian Legion select one veteran from their branch to receive the award.

Norm was presented with the certificate and lapel pin recognizing this award at a luncheon at the Coldwater RCL Branch #270 on Saturday, 1 November 2025. It was presented to him by their Branch President John O'Hara.

Well done Norm for all that you do.
